NOTICE

Update to Court Operations – August 15, 2023

Beginning August 15, 2023, sealed documents should be filed by using the Court's secure Box.com file repository, which can be accessed through this [link](#). The link is also available on the E-Filing Information page of the Court's website. The file repository replaces the SealedFilings@cadc.uscourts.gov email address, which will no longer be monitored.

Please note that highly sensitive documents (HSDs) may not be filed electronically. Further information about HSDs can be found [here](#).
